Sub:Mandatory Certificate from D.E.O/D.M for the purpose of Affiliation –  
Regarding.

Ref: CBSE/CM/AFF/R-BL/2019/1442050/ dated 08-Jan-2019.

**CIRCULAR**

The Central Board of Secondary Education (CBSE) has issued directions regarding the Revised Affiliation Bye-Laws which proposes closer involvement of State and District School Education Administration in forwarding the applications of the school for affiliation.

The Affiliation By-Laws are revised to accept the District Administration/District Education Administration's certification that the requisite documents are submitted and therefore will be considered as scrutinized. With this certification, the board will not require applicant schools to separately submit any of the certificates documents mentioned therein and neither will these certificates be scrutinized at the time of inspection. The board is of the view that during school inspection for affiliating schools, the board will instead focus on outcome based scrutiny and assess the quality of education being imparted. The new system will be on-line, robust, Transparent, hassle free and seeks to reinvent earlier long drawn process of affiliation that was done with little or no collaboration, with State Government. Also, enclosed with circular are two formats:-

- i. Format of certificate to be issued by the District Education Officer in respect of Schools, seeking affiliation with the Central Board of School Examination.
- ii. Format of certificate to be issued by the District Education Officer in respect of schools, already affiliated with the board and seeking extension/up-gradation of Affiliation with the Central Board of Secondary Education.
