

ORDER UNDER SECTION 144 OF THE CODE OF CRIMINAL PROCEDURE, 1973

WHEAEAS information has been laid before me that Novel Corona virus (COVID-19) continues to spread around the country, which is dangerous to human life. In the light of this fact, prevention appears to be the best cure available so far. Accordingly, Government of India and Govt. of Haryana have issued various instructions under Disaster Management Act, 2005 directing the authorities to take effective measures so as to prevent the spread of COVID-19. It has been observed that people at large are at risk of getting infected by coming into contact with the people who are already suffering from it.

And whereas it has been made appear to me that there is a need to impose restriction to contain the further spread of COVID-19. I am satisfied from the material placed before me that there are sufficient grounds for proceedings **under The Disaster Management Act, 2005 and section 144 of the Code of Criminal Procedure, 1973**, and that immediate prevention is desirable to prevent COVID-19.

Now, therefore, in exercise of the powers conferred upon and delegated to me under Section 2, 30 and 34 of the Disaster Management Act, 2005 and Section 144 of the Code of Criminal Procedure, 1973 I, **Naresh Narwal, IAS, District Magistrate, Palwal -cum-Chairperson, of the District Disaster Management Authority, Palwal** hereby order to ensure strict implementation of following restrictions in the limits of District Palwal:-
