Proceedings Of Chairperson District Disaster Management Authority and
District Collector Wayanad

(Present: Dr. Adeela Abdulla IAS)

DCWYD/2909/2019(3)-DM1 dated 28.03.2020

Sub : Covid 19 – Establishment of Covid Care Centre – Order Issued.

Ref: Advisory No. 31/F2/2020/Health dated 25.03.2020.

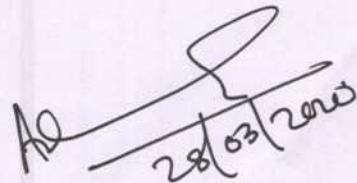

As per the reference cited Covid Care Centre has to be established to function as the health care centre for the persons who have come from other states of India and having minor symptoms so as to avoid crowding in the hospitals.

Accordingly 135 numbers of establishments with 1960 rooms in total, mainly functioning as Hotels/Resorts, are identified to function as Covid Care Centres of Wayanad District(List appended).

As Wayanad District does not have much establishments with more than 50 independent rooms, building with less than 50 rooms are also identified to function as Covid Care Centres.

Local Self Government Secretaries should take over the said establishment as and when necessary on instruction from DEOC and should manage the centres as per the guidelines issued separately.

Tahsildars of respective Taluks should act as co-ordinating officers in each Taluk and should furnish daily report to DEOC.
