The Employment through Skill Training & Placement (EST&P) component under DAY-NULM is designed to provide skills to the unskilled urban poor as well as to upgrade their existing skills. This Program will provide skill training to the urban poor to enable them to set up self-employment ventures and for salaried jobs in the private sector. The EST&P program intends to fill the gap between the demand and availability of local skills by providing skill training programs as required by the market.

Detailed operational guidelines in this regard are available and can be downloaded from the DAY-NULM website www.nulm.gov.in and should be followed scrupulously. The rule of reservation for various categories should be followed strictly as indicated in the Government of India guidelines.
