## **SALIENT FEATURES**

### **Historical Background about the District :**

**KARUR** district was carved out from the erstwhile Thiruchirapalli district. It occupies a very significant place in the history and culture of the Tamils, with a record of achievements spanning over a period of 2000 years. Epigraphical, Numismatic, Archeological and literary evidences have proved beyond doubt that Karur was the capital of the Chera Kings of the Sangam age around First century to Seventh century. The people of this region came into very close contact with ancient Romans and had regular commerce with them, which enriched the life style of the people of this region, and also enabled them to imbibe certain interesting features from the foreign trade partners.

The strategic location of Karur has been one of the reasons for its ready-rise through the centuries. The important roads and trade routes from the Pandya Capital Madurai and Chola Capital Thanjavur linked Karur with the Kongu Nadu (Coimbatore, Erode region) and connected the same to the west coast and to the trade ambassadors from the distant Roman and European countries. The merchants from Rome who came to the West coast soon made a bee line to Karur to expand their trade and commerce. Several hoards of silver and gold coins of Augustus Tiberius dated 37 A.D. and over 5000 coins of the later Roman period in copper and bronze had been located in and around between the 3<sup>rd</sup> and 5<sup>th</sup> century by way of trade and commerce.

### **Physical Features:**

Karur District was created as per G.O.Ms.No.683, Revenue Department, dated 25<sup>th</sup> July 1996. It consists of four Taluks, Viz., Karur, Aravakurichi, Kulithalai and Krishnarayapuram. ### **TRADE AND EXPORTS:**

On the international textile map, Karur has become synonymous with handloom “made-ups” first as Tirupur in the hoisiery product. The weaving industry came to Karur from Kerala and has earned a reputation for its high quality handloom products today. Exports of handlooms from Karur began on a modest scale with just 15 exporters in 1975 and today Karur has 100s of exporters. The handloom products being exported have been broadly classified under three heads – Kitchen, bathroom and bedroom furnituring items. Some of the handloom made-ups exported from Karur are Bedspreads, Towels, Floor rugs, Tea towels, Napkins, Aprons, Kitchen towels, Pot holders Plate mats, BathMats, Tea mats, Curtains, Pillow, Quill covers, Shower curtains etc., The products are exported to Europe, U.S.A., Japan, Canada, Australia, Singapore, South Korea, South Africa and the Scandinevian countries among others. The handloom industry in Karur generates nearly an annual turn over of Rs.1000 Crores with Rs.700 Crores of direct and indirect exports of textile goods. The development of export as a major trade has led to the enormous growth of other allied industries like handloom and powerloom weaving units, dyeing and bleaching units, tailoring, packaging units etc. The handloom and its allied industries provide direct and indirect employment to over a lakh of persons.
