**Today's update (on 24<sup>th</sup> May 2020):**

One person tested positive for COVID-19 by RT-PCR testing today evening. This person had returned from Delhi by bus on 18<sup>th</sup> May 2020. He was kept in quarantine facility and his throat swab sample was taken after 3-days. He is currently asymptomatic and will be further managed in a Dedicated COVID Care Centre (DCCC) as per SOP. This information, which is put in the bulletin is **factual** and should **not** be linked with the fake news of three (3) COVID-19 positive cases which was being circulated in the social media earlier on.

Out of the 61-passengers who had travelled from Delhi in two buses as (29 and 32 number break-ups) had reached Arunachal on 18<sup>th</sup> May 2020. From this group, one has tested positive, 31-tested negative, 26-results are awaited and 3-not tested yet. All are not having any symptoms till date.

In the light of the current scenario of COVID-19 in the country, it is sincerely urged upon the people of our state to cooperate in **“fighting collectively against the ailment and not the ailing”**.
