Memo No. ADULB/Admn./2020/25147
Dated: 30.03.2020

Subject:- Release of Special Grants for purchase of various items to control COVID-19 and release of State Finance Commission (SFC) Grant for the year 2019-2020 (3rd installment) to all Municipalities in the State of Haryana.

In continuation to this office letter No. ADULB/Admn./2020/25109 dated 27.03.2020 on the subject cited above.

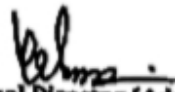

2. It is intimated that funds under Special Grant for purchase of various items to control COVID-19 and Grant under SFC have been released to all Municipalities exclusively for use in respect of activities to be carried out for prevention and containment of COVID-19. These grants can also be utilized for providing of related expenditure in respect of Essential Municipal Services. The funds are to be utilized judiciously only for the purpose as mentioned above.

3. No lump sum contract should be given for disinfecting/sanitizing any area in which the work of spraying by engaging manpower is involved. Due to lockdown the work of sweeping as well as collection of Municipal Waste has been considerably reduced. Further, 20 mechanical sweeping machines have also been provided by Directorate with many Municipalities as well as some of such machines have also been hired by the Municipalities themselves which may have also resulted in sparing of the sweeping staff. Such spare staff should be involved in spraying the disinfectant as well as sanitization in the Municipal areas.

4. It is clarified that the ancillary items such as chemicals/pumps etc. required for spraying of disinfectants can be procured and booked under the above grants. The existing manpower shall only be used for the above said activities.

5. Strict compliance of above directions be ensured by all concerned.

This letter is issued with the approval of Additional Chief Secretary to Government Haryana, Department of Urban Local Bodies.
