Memo No. 1854-55/LFA

Dated 24-04-2020

Subject: Show Cause Notice.

In relation to the ongoing procurement of mustard as well wheat in District Rewari, it has come to my notice that lifting of wheat is too slow despite of clear instructions given to you for expediting the process of wheat lifting many times. Delay in lifting is causing is inconvenience and creating hindrance in procurement process.

It appears that you are neither taking adequate interest in lifting nor you have initiated any action against any contractor/agency till date.

You are directed to show cause by 25/04/2020/ 5 PM as to why action be not initiated against you for this lapse. If no response is received from you, it will be presumed that you have nothing to say in this matter and State Government and your HOD will be appraised accordingly.
