

**Minutes of the 4th DEAC-South Goa meeting held on 22nd March 2018 in
the chamber of Executive Engineer, W.D., W.R.D. Rawanfond,
Aquembaixo, Margao**

Following members were present

1. Mr. Ankush Gaonkar-Chairman
2. Smt. Shobana Revankar-Member Secy.
3. Dr. Mohan Girap-Member
4. Shri Armstrong Fernandes-Member
5. Shri Aniket Gaonkar-Member

The minutes of the 3rd meeting held on 2nd February 2018 were read out and confirmed. The Committee also noted the following two members – (i) Mrs. Ira Almeida and (ii) Prof. Dr. A. A. Jalihal have not responded to the letter, a copy of which was also endorsed to the DEIAA (South Goa) – copy enclosed.

In continuation to the observation made in the minutes of the 3rd meeting as regard to application received from **Shri. Bandu Chavan**, the Committee decided to send an official communication to submit the details, listed below, within 15-days from the date of receipt failing which the said proposal will be delisted for any further consideration.

- i) NOC submitted to be signed by Project Proponent
- ii) Project Proponent to temporarily construct minimum 4 mtrs wide road with permissible gradient
- iii) Project Proponent to make on site provision for hygiene and disposal of domestic waste in respect of the workers.
- iv) To leave 50 mtrs from the lease boundary, as the same abuts the Government forest.

In continuation to the observation made in the minutes of the 3rd meeting as regard to application received from **Shri Balkrishna Marathe**, the Committee decided to send an official communication to submit the details w.r.t. submission of site-plan depicting the proposed lease area within 15-days from the date of receipt failing which the said proposal will be delisted for any further consideration.

In continuation to the observation made in the minutes of the 3rd meeting as regard to application received from **Smt. Anila Rege**, the Committee perused the submission made by the applicant dated 12th February 2018 w.r.t. survey plan showing proposed access to quarry site from the existing road and has decided to consider the application for grant of prior environmental clearance (EC).

In continuation to the observation made in the minutes of the 3rd meeting as regard to application received from **Shri Sateri Shantadurga Metal**, the Committee decided to send an official communication to submit the details w.r.t. details below –

- i) To resubmit the proposal in Form 1M
- ii) To Submit the survey plan showing proposed access road.
- iii) To submit the index of lands in Form I & XIV prior to considering the proposal further.

within 15-days from the date of receipt failing which the said proposal will be delisted for any further consideration.

In addition, the Committee perused / deliberated on the applications received from following lease holders after conducting site-inspection on 7th February 2018.

1. **M/s Joao Lourenco Baptista** w.r.t. a 'New' quarry proposal for basalt-stone located in survey no. 50/0 (P) in Ugem village in Sanguem taluaka covering an area of 0.8 Ha, the Committee noted that Survey no. 52/(P) of Ugem village has been listed in the list of Private Forest identified by the South Goa Forest Division Committee wherein, it is directed to maintain status-quo of the identified private forest area vide NGT Oral Judgment dated 29th October 2015 in Application no. 166/2013 (WZ). In addition, the said Survey No. is also listed in survey numbers falling in Eco-Sensitive Zone (ESZ) of Sanguem taluka. Thus, the Committee decided not to consider this proposal for grant of EC.
2. **M/s Rajendar Naik** w.r.t. a 'New' quarry proposal for basalt-stone located in survey no. 63 of Santona village in Sanguem taluka covering an area of 10,000 sq.mts., the Committee noted that Survey no. 63(P) of Santona village has been listed in the list of Private Forest identified by the South Goa Forest Division Committee wherein, it is directed to maintain status-quo of the identified private forest area vide NGT Oral Judgment dated 29th October 2015 in Application no. 166/2013 (WZ). Thus, the Committee decided not to consider this proposal for grant of EC.

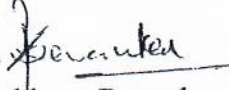

Subsequently, the Committee decided to conduct site-inspection on 4th April 2018 (Wednesday) of the following three proposals namely –

- (i) **Shri Nilesh G. Fadte** w.r.t. "new" Laterite stone quarry located in Cuelim of Mormugoa taluka.
- (ii) **Shri K. Venkateshwar Reddy** w.r.t. "new" basalt-stone quarry located at survey no. 62/0 of Nirancal village in Ponda taluka.
- (iii) **Shri. Mario Mascarenhas** w.r.t. "renewal" of Basalt-stone quarry located at Santona village in Sanguem taluka.

[Handwritten signatures and initials]

Further, the Committee decided to notify the O/o Executive Engineer, Water Resources Department (WRD), Rawanfond, Aquembaixo, Margao as a Secretariat of DEAC(South Goa). Accordingly, it was opined to forward the same to the O/o Chief Engineer, WRD, Panaji for kind consideration prior to its Notification.

The Meeting ended with vote of thanks to the Chair.
