**MINUTES OF THE FIRST MEETING OF NEWLY CONSTITUTED DISTRICT  
EXPERT APPRAISAL COMMITTEE (DEAC) SOUTH-GOIA HELD ON  
27/12/2017 AT 11.30 AM IN THE CHAMBER OF OFFICE OF EXECUTIVE  
ENGINEER, W.D.II, WRD, RAWANFOND, AQUEMBAIXO, SALCETE - GOA.**

---

The following members attended the meeting:

1. Shri Ankush Gaunkar - Chairman
2. Smt. Shobhana Revankar - Member Secretary
3. Dr. Mohan Girap- Member
4. Shri Surendra Gaonkar - Member
5. Shri Armstrong Fernandes - Member
6. Shri Aniket Naik Gaonkar- Member

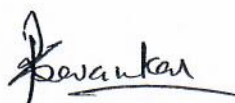

The meeting started with the introduction. All the above members introduced themselves. Initially, Dr. Mohan Girap explained the process adopted earlier by the Goa-SEAC for scrutiny of applications by the committee. Smt. Shobhana Revankar, distributed a list of cases received for Environmental clearance for minor minerals by (DEIAA) South, which were forwarded to DEAC South. As per the said list, there are 14 cases which are to be dealt by DEAC. (Copy enclosed). The application at Sr. No.2, of M/s. Timblo Planting Pvt. Limited was found to be only for clarification regarding forest and not for Environmental clearance. It was seen that there are four renewal cases for grant of environmental clearance and the remaining are fresh applications. Some of the renewal cases were already inspected by the earlier State Committee. Dr. Mohan Girap felt that since the said inspections were done a long time ago the same should be inspected afresh to which all the members agreed. Accordingly, the tentative date for inspection of five cases was fixed on 09/01/2018 in consultation with the other members.

It was decided to open a gmail account so that the proposals can be uploaded on it. However, the members preferred hard copies of the applications. Accordingly, it was decided to issue letters to the project proponents to submit 8 copies of the applications in new format (Form MI) wherein applications in old format were submitted.

It was also decided that all proceedings of DEAC to be uploaded on DEIAA website. For functioning of DEAC, the need for basic furnitures like a steel cupboard to maintain the files & a few chairs for conducting the meeting was expressed.

The members accepted the above suggestions.

The meeting concluded with vote of thanks to the Chair.
