APPEAL

I Mr. Ajit Roy, Collector (South Goa District) appeal to all pharmaceutical employees to join their duties willingly. Their working is essential to ensure the supply of medicines for all of us. I appeal to all house owners/Society Chairmen/villagers to allow pharmaceutical employees to go for their work. I assure you that all pharmaceutical companies have taken care of hygiene of the employees, so that they are not infected with any disease. Pharmaceutical employees should join their duties and the house owners/Society chairmen and villagers should allow them to go for work .

If the pharmaceutical employees do not join the work or if they are not permitted to go for work or the persons obstructing them to proceed to work, this office may be compelled to initiate appropriate legal actions against the violators under the provisions of Disaster Management Act, 2005 and other laws in force.
