At the outset, the Chairman/ Collector South welcomed all the members present for the meeting and informed that the meeting was called in order to take decision of Coastal Regulation Zone inspection reports violations cases submitted by the Taluka Level Committee of Salcete, Canacona, Mormugao and Quepem. The reports/proposals received from the Taluka Level Committee were discussed as per enclosed **Annexure"A"**

The Chairman/Collector, South further informed that if any illegal conversion cases or alleged violation is noted /observed or reported from any quarters, necessary action shall be taken at District committee level i.e issue

show cause Notice /stop work Orders to the alleged violator as per the provisions of CRZ notification. Further informed that the concerned Dy. Collector & SDO shall initiate process for illegal conversion in case, the same is carried out without taking conversion sanad in violation of Section 32 of the Goa Land Revenue Code, 1968 and Rules made there under if applicable. The Collector further informed that CRZ violation complaints to be forwarded to Taluka Level Committee instantly to conduct necessary inquiry and report, if found necessary in a specific case, will direct to issue stop work order /show cause notice under section 5 of the Environment (Protection) Act.

Further, the Chairman/Collector South directed the Taluka Level Committee members to submit a detailed inspection report including details regarding CRZ zone/area of violation, type of construction, dimensions of structure constructed to be specified and details of the documents relied upon, if there is no violation observed the same is to be specified in the report clearly with relevant information supporting the case and submit the detailed report to the District Level Committee on monthly basis for necessary action in the matter. The prescribed format of inspection report at point no. VII, VIII, IX and X should be duly filled and not to leave any point blank.

All the members after perusing the said reports the DLC members have decided to forward 25 inspection reports in respect of Cancona Taluka, 17 in respect of Salcete Taluka 01 Quepem Taluka to the Goa Coastal Zone Management Authority.(As recommended in remarks column of Annx A). Further the committee members decided to return 02 inspection reports of Salcete, 01 Quepem and 21 in respect of Mormugao Taluka to Taluka Level Committee for re-inspection which were not clear and needed more accurate details.

Further the representative of fisherman community Shri Suraj V. Pagi and Shri Antonio Monteiro, Destarro informed whenever joint site inspection is planned by the Taluka Level Committee Quepem, notice of the inspection to be send in advanced so they have to be present on the day of inspection. In this regard the Collector / Chairman of DLC gave a standing

instruction to the Taluka Level Committee Quepem to make a watsup group and share the notices along with Complaints so that all the members can be updated about the case and remain present on the day of inspection site with advanced notice.

The Collector further directed that following pending references which are forwarded to Taluka Level Committee shall be inspected in a time bound manner and the report of the same to be submitted at the earliest.

The details pending cases are as under:

Taluka		Forwarded last week	Total pending cases with Taluka Level Committee
Salcete (SDO-I & II)	69	17	86
Canacona	30	16	46
Mormugao	05	11	16
Quepem	0	0	0
Ponda	03	01	4

The meeting ended with vote of thanks to the chair.

(Ruchika Katyal, IAS)
Chairman/ Collector
South Goa District Margao Goa

To,
All the concerned

Following CRZ inspection reports placed before DLC meeting held on
22/07/2021 **ANNEXURE "A"**
