At the outset, the Chairman/ Collector South welcomed all the members present for the meeting and informed that the meeting was called in order to take decision on complaints received for violation of norms of Coastal Regulation Zone.The reports/proposals received from the Taluka Level Committee were discussed as per enclosed **Annexure"A"**

The Chairman/Collector, South further instructed that the pending references forwarded by the Goa Coastal Zone Management Authority should be inspected by the Taluka Level Committee at the earliest and the inspection report of the same should be promptly submitted to the District Level Committee recommendation along with relevant survey plan and the photograph of the site clicked at the time of site inspection.

The Inspector Survey Land & Records, Canacona informed that total 15 inspection reports pending with their office for the last 1 month has already been submitted to the office of the Mamlatdar, Canacona on 31/8/2021.

The Dy. Collector & SDM, Salcete informed that the Taluka level committee, Salcete already inspected 10 sites, but the same are pending as the report from TCP, ISLR, PWD and fisherman are awaited. The Collector/ Chairman directed all the members that their inspection report should be submitted within a week from the day of inspection.

The representative of fishermen community informed that in order to recommend their comments on the inspection report, the other dept. should prepared their report earliest. In this regard, the Collector directed to the representatives of fishermen community present for the meeting to give their say/comments on the report on the day of inspection only, instead of waiting other Dept. report .

All the members after perusing the said reports have decided to forward 10 inspection reports in respect of Canacona Taluka , 9 in respect of Salcete Taluka to the Goa Coastal Zone Management Authority to take further needful action into the matters. Further the committee members decided to return 02 inspection reports of Canacona and, 03 of Salcete for re-inspection which were not clear and needed more details.

The Collector further directed that following pending references which are forwarded to Taluka Level Committee shall be inspected in a time bound manner and the report of the same to be submitted to the next review District Level Committee meeting.

The details pending cases are as under:
