Order

The Supreme Court of India and High Court of Madras are regularly monitoring the implementation of various instructions issued by them to reduce the road accidents.

It has been noticed that large number of road accidents are happening due to over speeding. Though speed limit sign boards have been erected at some places, considering the volume of traffic and movement of people, regular review is required for limiting the speed of the vehicle on various types of roads.

The Motor Vehicle Act, 1988, Section 112 empowers to limit the Speed of Motor Vehicle on the roads. Rule 370 of the Tamil Nadu Motor Vehicle Rules, 1989 empowers the Regional Transport Authority i.e., District Collector to enforce the speed limits on the roads.

In order to reduce the road accidents due to over speeding, the Superintendent of Police, Coimbatore and the Deputy Commissioner of Police, Traffic, Coimbatore City has sent proposals vide reference 1st and 2nd cited, regarding fixation of speed limit for vehicles on roads in Coimbatore district.

Hence to reduce the road accidents due to over speeding, the following speed limits are fixed for vehicles on roads in Coimbatore District.
