

GOVERNMENT OF ARUNACHAL PRADESH
OFFICE OF THE DEPUTY COMMISSIONER
NAMSAI DISTRICT::NAMSAI

No.ND-28/Health/2020

Dated Namsai the 23rd June'2020

C I R C U L A R

In pursuance to circular of the Secretary, Health & FW, Govt. of Arunachal Pradesh, this is for wide information that the 'Disinfectant Tunnels' which are being installed and in operation in many crowded places, malls, markets and in offices for mass disinfecting is NOT recommended.

Chemicals like Sodium Hypochlorite or Hydrogen Peroxide when mist sprayed on a person while passing through this 'Disinfectant Tunnels' does not kill the germ and does nothing to break the chain of transmission of nCorona Virus and may give a false sense of security. Disinfectant when sprayed on humans and when it comes in contact with the skin may cause allergic reactions, burning and swelling of eyes, sore throat, cough and suffocating feeling, gastro-intestinal irritation, vomiting, dizziness and many more.

On the contrary, installation of hand washing stations with provision of soaps and sanitizers, social distancing, use of face mask, gloves, etc. are to be practiced instead of installation of 'Disinfectant Tunnels'.

BASED ON THE RECENT STUDIES AND EVIDENCES THE USE OF DISINFECTANT TUNNELS ARE NOT RECOMMENDED.
