No. DCK/A1/COVID19/2019-20/

Dt. 17.03.2020

NOVEL CORONA VIRUS (COVID19)
ADVISORY ON SOCIAL DISTANCING MEASURE

Social distancing is a non-pharmaceutical infection prevention and control intervention implemented to avoid/decrease contact between those who are infected with a disease causing pathogen and those who are not, so as to stop or slow down the rate and extent of disease transmission in a community. This eventually leads to decrease in spread, morbidity and mortality due to the disease. All these proposed interventions shall be in force till **31st of March, 2020.** They will be reviewed as per the evolving situation. The following interventions are proposed:

1. Closure of all educational establishments (schools, colleges, polytechnics, ITIs, universities etc) (public / private), gyms, cultural and social centres, swimming pools and theatres. Students should be advised to stay at home.
2. Ongoing exams to be conducted after ensuring physical distance of one meter amongst students.
3. Encourage private sector organizations/employers to allow employees to work from home wherever feasible.
4. Restaurants to ensure handwashing protocol and proper cleanliness of frequently touched surfaces. Ensure physical distancing (minimum 1 metre) between tables; encourage open air seating where practical with adequate distancing.
5. Keep already planned weddings to a limited gathering, postpone all non-essential social and cultural gatherings.
6. Sporting events and competitions involving large gatherings are to be postponed.
7. Religious leaders to regulate mass gatherings and ensure no overcrowding / at least one metre distance between people.
8. Commercial Tax Authorities / Local Bodies to have meeting with traders associations and other stakeholders to regulate hours, exhibit Do's and Don'ts and take up a communication drive in market places, bus depots, railway stations, post-offices etc., where essential services are provided.
9. All commercial activities must keep a distance of one meter between customers. Measures to reduce peak hour crowding in markets.
10. All Non-essential travel should be avoided. Buses, Trains and all transport vehicles to maximize social distancing in public transport besides ensuring regular and proper disinfection of surfaces.
11. Hospitals to follow necessary protocol related with COVID-19 management as prescribed and restrict family/friends/children visiting patients in hospitals.
12. Hygiene and physical distancing has to be maintained. Shaking hands and hugging as a matter of greeting to be avoided.
13. Special protective measures for delivery men/ women working in online ordering services.
14. Keep communities informed consistently and constantly.
