11. Bhunaksha

Name of Tahasil	Implementation Status (Yes/ No)	Suggestions, If any
Angul	Yes	Correction is time consuming and Due to problem in application or slow network from 1 st Sept all RI's and Amin's taking more time to correct, they are facing lots of problem and they are not resolved till now , While doing correction there is no edit option and there is no dashboard for checking RI wise case status. For Tehasildars, it is very difficult to get the map correction list and getting less no cases in "PendingtTransactionList" as compared to map correction. There no option to get for previous corrected map.
