T.K ASHOK KUMAR I.F.S

Wildlife Warden

Ramanathapuram

Sirs,

Sub: Tender for Implementation of the Scheme Integrated Development of Wildlife Habitats **Community based eco tourism in Kurusadai Island, Mandapam Range, Gulf of Mannar Marine National Park** Ramanathapuram - Tamil Nadu during 2018

You are hereby invited to submit separate technical and financial proposals for undertaking the below works which would be the basis for future negotiations and a contract between your firm and the Wildlife Warden.

Name of the work:

A. Purchase of Fiber Boat

B. Purchase of Glass bottom boat

The following documents are enclosed to enable you to submit your proposals:

- a) Terms of Reference (Annexure – I)
- b) *Supplementary information for tenders (Annexure – II)*

SUBMISSION OF PROPOSALS

The Proposals are to be submitted in two parts viz. technical and financial, and the "TECHNICAL" AND "FINANCIAL" proposals must be submitted in two separate sealed envelopes (Both respectively marked in bold letters) following the formats/schedules given in the Annexure II. The first envelop marked "TECHNICAL PROPOSAL" should indicate the description of the firm/organization, general experience in the field of assignment, the qualification and competency of the personnel proposed for the assignment and the proposed work plan methodology and approach in response to suggested terms of reference. The second envelope marked "FINANCIAL PROPOSAL" should contain the detailed price offer for the above works with breakup of cost.

OPENING OF PROPOSALS:

The proposals (first envelope containing technical proposal only) will be opened by the Wildlife Warden of his authorized representative in his office at 3.30 P.M on 05.10.2018 in the presence of such tenderers or their authorized representative who may choose to be present. It may please be noted that the second envelope containing the detailed price offer of only those who qualify by obtaining the minimum technical score 75 points, will be opened after the technical evaluation is completed.

EVALUATION

. A two – stage procedure will be adopted in evaluating the proposals with the technical evaluation being completed prior to any financial proposal being opened. The technical proposals will be evaluated using the following criteria:

- The firm's capability and relevant experience in the field.
- The quality of the design proposed
- The qualification, experience and competence of the key staff proposed for the work.

The evaluation criteria for the technical proposal will be as follows:

I.	Specific experience of the consultants with reference to the assignment Points.		
	(a)	Firm's part experience in similar kind of work	50
	(b)	Personnel and their technical expertise	30
	(c)	Equipment's and machinery relevant to the work	20
		Total Points	100

Minimum technical score required is 75 points.

The Boat manufacturing Companies whose technical proposals are selected will be intimated and ,indicating the date and time set for opening of financial proposals. The Institution/Resource Organization whose proposals do not meet the minimum qualifying mark will be intimated and their financial proposals returned unopened on completion of the selection process.

After the evaluation of quality, the financial proposals shall be opened in the presence of the tenderers or their representatives who may choose to be present. The name of the Institution/Resource Organization, the quality scores and the proposed prices shall be read out and recorded when the financial proposals are opened. The minutes of the public opening will be prepared.

The evaluation committee will determine whether the financial proposals are complete and costing has been done for all the items.

The lowest financial proposal (Fm) will be given a financial score (Sf) of 100 points. The financial scores (Sf) of the lowest financial proposals will be computed as $Sf=100 \times Fm / F$, in which Sf is the financial score, Fm is the lowest financial proposal and F the price proposal under consideration .

Please note that the department is not bound to select any of the Institution/Resource Organization submitting proposals.

You are requested to hold your proposal valid for 90 days from the date of submission without change of the personnel proposed for the assignment and your proposed price. The department will make its best efforts to select a Institution/Resource Organization within this period.

The successful bidder is expected to commence the assignment immediately.
