

GOVERNMENT OF MEGHALAYA
OFFICE OF THE DEPUTY COMMISSIONER, RI BHOI DISTRICT, NONGPOH

APPEAL

In view of the COVID-19 pandemic, it is understood that many of our people who either study or work outside the state, have returned home. The District Administration has taken all possible steps to screen them, register in the government portal, advised them to undergo home quarantine for 14 days and also followed up with each and everyone on their Health status on a daily basis. Since majority of them are under home quarantine, it is important to understand that all of them should have the responsibility to stay at home and isolate themselves for 14 days as a preventive measure to tackle the virus.

On the other hand, all the headmen and community leaders, women groups, youths and all other citizens in the District are requested to not treat these students and other people coming from outside, as social outcasts but to provide moral support and simply observe social distancing for the mandatory period of 14 days to ensure that this district is free from the virus.

Let us work together to fight the COVID-19 Virus.
