Permit holder has applied for revision of existing timings. Enquiry conducted through MVI Cherthala reveals that it is not merely a time revision. It is found that the trips are changing towards Kanichukulangara in the afternoon. Since there is curtailing trip towards Kanichukulangara at 06.04pm from Cherthala and extending trip towards Kanichukulangara at 01.15pm. So it is purely an application for variation. Hence applicant is directed to submit application for Variation of permit. As such permit holder has submitted PVA application along with require fee for Variation. But no report has been ascertained from Joint Regional Transport Office, Cherthala regarding the variation.

Hence RTA may hear the applicant peruse the file and take a decision.
